LED & PROJECT LIGHTING SOLUTIONS

WHO WE ARE

We Are A Proud Indian Manufacturer Of Led Lighting 100% Made In India Products And Are Into Distribution Of This Globally.

Established in the year 2008 at Surat, Gujarat, We at "Alich" Industries are engaged as the foremost Manufacturer of all types of Premium Led lighting fixtures and solutions right from Led Profile lights, Led Down lights, Led flood lights etc which are suitable for all indoor as well as outdoor applications. Our products are high in demand due to their affordable prices.

Furthermore, we ensure to timely deliver these products to our clients, through this we have gained huge client base and consideration as a genuine and consistent manufacturing company in our field

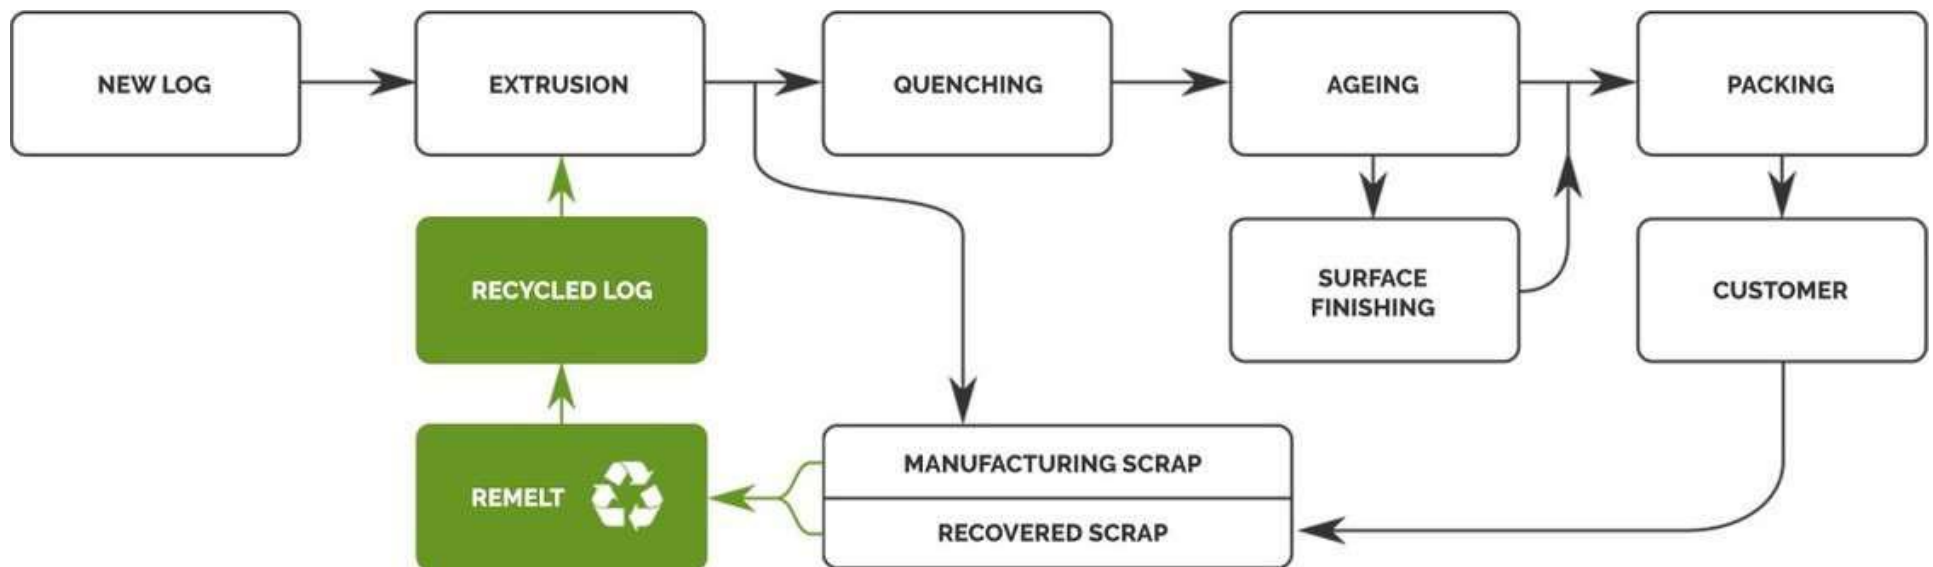

A black and white photograph of a modern office interior. The ceiling is dark with several large, circular, illuminated LED light fixtures. The office has glass-walled meeting rooms, a central area with a sofa and ottoman, and a bar area with stools in the background. A large blue graphic element is overlaid on the bottom left of the image.

WHAT WE DO

We Manufacture LED lighting and we are unique global manufacturer and distributor of LED lighting in the world.

Our business model is based and oriented towards requirements and needs of our clients. Besides that, every item in our wide range of products is customizable in terms of aesthetic and, most importantly technical features.
